Sub: DELNET Membership Renewal

Dear Prof. Sanjay Kumar,

We acknowledge with thanks the receipt of ₹ 13,570 (₹ Thirteen Thousand Five Hundred Seventy only) received through NEFT dated 24.12.2024 made towards the DELNET Annual Institutional Membership Fee for the period 8.12.2024 to 7.12.2025. The receipt no. 84150 dated 26.12.2024 is enclosed for the office records.

You are requested to access DELNET databases through the World Wide Web using the following procedure:

Web Address: <http://www.delnets.in>

Kindly click onto "New Discovery Portal". Since the IP address provided by you is not static (broadband), you are requested to use following login & password to access the new discovery portal of DELNET.

Login : rjciitm
Password : clii7088

We would greatly appreciate if a link to "DELNET Digital Library" with a hyperlink to '<https://discovery.delnets.in>' may kindly be made available at the Institutional Library Webpage.

Kindly note your Inter Library Loan (ILL for Books) Password is "rjciitmlib" to be used while registering a request. You are also welcome to send us the bibliographical references at sangs@delnet.ren.nic.in, sangskaul2003@yahoo.co.in for the resources needed by you. We will try our best to locate these resources. We would like to inform you that DELNET has launched WEBVIEW Youtube channel which contains a large number of video recordings of Webinars organised by DELNET including sessions on DELNET resources and services. The link is available at the Discovery Portal. We would further like to inform you that Usage Report can be generated through "USAGE STATISTICS" link which appears at the top side of the landing page of the discovery portal. Kindly use the password as 7088***1992 to download the pdf, containing usage report of your institution.

I would like to mention that DELNET provides access to more than 3.8 crore catalogue records of books, journals, articles, etc. through Discovery Portal and also more than one crore and fifty lakh full-text e-books, e-journals & e-articles through *Knowledge Gainer Portal*. We are pleased to inform you that DELNET has also recently launched ViSiOn Portal which contains Video Recordings of Lectures on varied subjects. We request you to kindly contribute the video lectures of the Faculty Members of your Institution. Kindly contact us for further assistance. DELNET also provides Delplus software free of charge for library automation purpose. DELNET Guest House facility at New Delhi can also be availed by member-libraries on payment basis. Also, we are pleased to inform you that DELNET has developed DELDReSS Portal exclusively for Schools, which is of great relevance to the School students, teachers and administrators.

We would also like to mention that DELNET offers DrillBit software for plagiarism detection for an annual subscription of Rs 48,000 (inclusive of GST) for 300 documents checking.

I would also like to inform you that DELNET shall be glad to organise a one hour webinar on DELNET Networked Resources and Services at a mutually convenient date and time for the students, faculty, researchers and scholars of "Compucom Institute of Information Technology & Management, Jaipur, Rajasthan". It will help in the effective utilisation of DELNET resources and services.

I am enclosing a poster on DELNET and a Certificate of Membership for their display in the Library. Please kindly let us know if you wish to get any books on ILL or the journal articles.

With kind regards,

Yours sincerely,

Sangeeta Kaul

Subject: Extension of approval of AICTE to COMPUCOM INST OF INFORMATION TECH & MGT, SP-5, RIICO INDUSTRIAL AREA,, EPIP SITAPURA,, JAIPUR-302022 RAJASTHAN,, , for the academic year 2004-2005.

Sir / Madam,

The Application / Proposal and / or the Compliance Report Received from COMPUCOM INST OF INFORMATION TECH & MGT, SP-5, RIICO INDUSTRIAL AREA,, EPIP SITAPURA,, JAIPUR-302022 RAJASTHAN,, , has been processed as per laid down procedure, guidelines, policy and / or norms and standards of AICTE, mentioned in AICTE Regulations and / or "AICTE Hand Book for Approval Process".

I am directed to state that the All India Council for Technical Education (AICTE) is pleased to accord approval to COMPUCOM INST OF INFORMATION TECH & MGT, SP-5, RIICO INDUSTRIAL AREA,, EPIP SITAPURA,, JAIPUR-302022 RAJASTHAN,, , for extension of AICTE Approval / Introduction of new course(s) / Variation in intake (Increase / Decrease), as applicable; for Post Graduate course(s) with Annual Intake and period of approval as given below:

COURSE(S)	EXISTING ANNUAL INTAKE	REVISED APPROVED INTAKE	PERIOD OF APPROVAL
MCA (FT)	60.	60.	2004-2005

Contd... 2/-

The Approval accorded above is subject to the conditions that any of the following is not violated or intervened during the period of validity of said approval.

1. The institution must continue to have Affiliation to a University for the above courses before making admissions. In the absence of such Affiliation this letter of approval shall be treated as Withdrawn (Order of the High Court of Madras in W.P. No. 33256 of 2002 and other Batch of Petitions).
2. ~~The approved course(s) shall commence as per the academic calendar of the Affiliating University.~~
3. If this letter of approval is received by you after the closing date of State / National Level Central Counseling for Admissions in the concerned State / Union Territory, this Letter of Approval will not be valid for making any admission during the above specified academic year, and shall be treated as withdrawn.
4. No excess admission shall be made by the Institution during any academic year.
5. The approval is valid only for the academic year 2004-2005. If no further extension of AICTE approval is received beyond the academic year 2004-2005, this Approval Letter will not be valid for making any admission for the subsequent years.
6. Any other condition(s) as may be specified by AICTE from time to time.

Consequent to the Supreme Court Judgment, the Model Constitution of Governing Body notified by AICTE in its approval Regulations 1994, stands overruled. It has been decided that while AICTE will not insist on any nomination in the Governing Body of Private Unaided Institutions, the Affiliating University / State Government shall impose minimum conditions of affiliation, such as, prescription of qualifications of Governing Body Members, in order to ensure academic excellence. It shall be desirable for the private unaided institutions to induct at least 50% of the members of the Governing Body drawn from renowned academia, academic administrators, Subject Experts and professionals from industry, in order to seek their innovative ideas for continuous improvement in the delivery of teaching learning process, matching best practices elsewhere and achieve excellence.

In exercise of power conferred under 10(p) of the AICTE Act, AICTE, may inspect the institution any time, it may deem fit to verify the progress / compliance or for any other purpose.

The suggested improvements, enclosed, herewith, should be complied with before the commencement of the next academic year, failing which appropriate action may be effected.

In the event of infringement / contravention or non-compliance of the above Conditions and / or the provisions of AICTE Act & Regulations / Guidelines / Norms & Standards as prescribed by AICTE, further actions leading to "Reduced Intake" or "No Admission or Withdrawal of Approval, may be taken by AICTE and the liability arising out of such action shall be solely that of the Management of the Institution.

Yours faithfully,

(Prof. K. Subramanian)

Sub: Extension of approval to Compucom Inst. of Information Tech. & Mgt SP-5, RIICO
Industrial Area,, EPIP Sitapura,, Jaipur-302022 Rajasthan , for the year 2005-06-reg.

Sir/ Madam,

As you are aware, All India Council for Technical Education has been mandated under the AICTE Act, 1987 to ensure maintenance of norms and standards with regard to technical education in the country. In exercise of this mandate, the Council insists on fulfillment of the minimum requirements prescribed for imparting technical education by the institution so that quality of courses is not compromised and stakeholders are satisfied. The Council also undertakes an annual inspection of the institutions and conveys deficiencies to them for rectification.

It has been observed however that notwithstanding the Council's repeated advice to comply with minimum norms and standards, many institutions continue to be complacent about taking steps to remedy the deficiencies.

Such institutions suffer from critical deficiencies of faculty in proper cadre ratio, qualification, experience and other requirements. Feed back of students with regard to quality of education imparted by such institutions has evoked grave concern. The Expert Committees, following holistic appraisal during inspections, have also pointed out severe shortcomings

The institution has been found to be suffering from several deficiencies, which are listed in Annexure-A for your perusal. Shortage of faculty is of gravest concern.

The deficiencies in respect of faculty (including proper cadre ratio & qualification etc) could have rendered your institution liable for punitive action including being placed in no admission/reduced intake category. However the Council has decided to take a lenient view and give you yet another last opportunity to rectify the deficiencies particularly with regard to faculty shortage, proper cadre ratio & requisite qualification. Course-wise approved intake in respect of Compucom Inst. of Information Tech. & Mgt SP-5, RIICO Industrial Area,, EPIP Sitapura,, Jaipur-302022 Rajasthan , your institution for the year 2005-06 is as under:-

COURSE (S)	APPROVED INTAKE 2004-05	APPROVED INTAKE 2005-06
MCA-FULL TIME	60	60

Note: - Additional intake/new courses/PIO quota not granted on account of deficiencies in respect of running existing courses/intake.

The above approval is subject to your rectification of deficiencies latest by August end, 2005. A compliance report indicating rectification of deficiencies and details of faculty recruited for each course must be received by the Council, with a copy to concerned Regional Officer latest by 31st August, 2005 to entitle your institution for extension of approval for the year 2006-07.

Contd...2.....

The compliance report must be accompanied with a visiting/processing fee as prescribed by the Council in the form of demand draft in favour of Member Secretary, AICTE payable at New Delhi. In the absence of the processing/visiting fee, the compliance report may not be entertained.

Following the compliance report, the Council would verify the status in respect of rectification of deficiencies through physical inspection without any prior intimation. The institution should therefore be prepared for random inspection without any prior notice. Extension of approval for the year 2006-07 shall be dependent on the compliance report and the outcome of the surprise inspection.

Enclosure:- Annexure-A

Independent Auditor's Report

To
The Members of Compucom Software Limited,
Jaipur

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Compucom Software Limited ("the Company"), which comprise the Standalone Balance Sheet as at 31st March 2025, and the Standalone Statement of Profit and Loss (including other comprehensive income), Standalone Statement of Changes in Equity and Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained

S. Misra & Associates

Chartered Accountants

is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	Auditor's Response
During the year the Company has made further investment in its wholly owned subsidiary namely CSL Infomedia Private Limited to the tune of Rs 1260.00 lacs including share premium through preferential allotment of equity shares.	In order to review the transaction for making further investment in CSL Infomedia Private Limited, we have applied the following tests and procedures:- • Checked that the recognition of investment in the books has been done at cost in line with the requirement of Ind AS-27. • Checked the Company's accounting policies relating to investment. • Checked the investment recognition by reviewing the supporting documents including valuation report of the underlying equity shares. • Checked the IND AS standalone financial statement disclosures with reference to the investment in subsidiary.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not

S. Misra & Associates

Chartered Accountants

include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Management's and Board of Director's Responsibilities for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (IND AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

S. Misra & Associates

Chartered Accountants

Management and Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.

S. Misra & Associates

Chartered Accountants

4. Conclude on the appropriateness of Management's and Board of Directors' use of the going concern basis of accounting in preparation of standalone financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

(g) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" wherein we have expressed an unmodified opinion.

(h) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act.

(i) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

(i) The Company has disclosed the impact of pending litigations as at 31st March 2025, on its financial position in its standalone financial statements. Refer Note 26 to the standalone financial statements.

(ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

(iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

(iv) (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ('Intermediaries'), with the understanding, whether recorded in writing or otherwise,

S. Misra & Associates

'Annexure B' to the Independent Auditors Report

"(referred to in paragraph 2(F) under the heading "Report on Other Legal and Regulatory Requirements" of our report of even date) on the Standalone Financial Statements for the year ended March 31st, 2025 of Compucom Software Limited.

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Compucom Software limited ('the Company') as of March 31st, 2025 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

S. Misra & Associates

Chartered Accountants

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial

reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on audit of internal financial controls over financial reporting issued by the Institute of chartered accountants of India.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS
as at and for the year ended March 31, 2025.

NOTE 1
CORPORATE INFORMATION

Compucom Software Limited ('the Company') operates in areas like E-Governance Projects, ICT Education Projects, Software Design & Development, Learning Solutions, IT Training, Skilling and Placement activities, Wind Power Generation and Hospitality sector etc.

The Company is a public limited company incorporated and domiciled in India and has its registered office in Jaipur, Rajasthan, India. The Company has its listings on the BSE Limited and National Stock Exchange of India Limited and Calcutta stock exchange.

The financial statements are approved for issue by the Company's Board of Directors in its meeting held on May 27, 2025.

NOTE 2
BASIS OF PREPARATION OF FINANCIAL STATEMENTS

A. Basis of preparation

These financial statements are prepared on a going concern basis, in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for financial instruments which are measured at fair values and the provisions of the Companies Act, 2013 ('Act') (to the extent notified). The Ind AS is prescribed under Section 133 of the Act, read with relevant rule of the Companies (Indian Accounting Standards) Rules, 2015, as amended time to time. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

B. Use of estimates, assumption and judgments

(a) Use of estimates:

The preparation of the standalone financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities on the date of the standalone financial statements and the reported amounts of revenues and expenses for the year reported. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the year in which the estimates are revised, and future periods are affected.

(b) Significant Judgment Contingencies:

In the normal course of business, contingent liabilities may arise from litigation, taxation and other claims against the Company. Where it is management's assessment that the outcome cannot be reliably quantified

or is uncertain, the claims are disclosed as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. While considering the possible, probable and remote analysis of taxation, legal and other claims, there is always a certain degree of judgment involved pertaining to the application of the legislation which in certain cases is supported by views of tax experts and/or earlier precedents in similar matters. Although there can be no assurance regarding the final outcome of the legal proceedings, the Company does not expect them to have a materially adverse impact on the Company's financial position or profitability.

NOTE 3

SIGNIFICANT ACCOUNTING POLICIES

A. Fair value measurement

The Company measures financial instruments, such as, investment in securities and other assets wherever necessary at fair value at balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the market conditions and risks existing at each reporting period date. The methods used to determine fair value include available quoted market process and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may or may not be realized.

For financial assets and liabilities maturing within one year from balance sheet date which is not carried at fair value, the carrying amount of such asset and liabilities were carried at amortized cost.

B. Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

Expected to be realized or intended to be sold or consumed in normal operating cycle,

- Held primarily for the purpose of trading,
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period,

All other assets are classified as non-current.

A liability is treated as current when it is:

- Expected to be settled in normal operating cycle
- Held primarily for the purpose of trading
- Due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

Some line items presented in the financial statements have been reclassified under different heads and sub heads to encourage appropriate disclosure of information contained, beginning from the earliest period presented in the financial statements.

C. Functional and presentation currency

The financial statements are prepared in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest lacs.

D. Revenue recognition

1. Revenue from operations: -

- The Company earns revenue primarily from E-Governance Projects, ICT Education Projects, Software Design & Development, Learning Solutions & IT Training including Skilling and Placement activities, Wind Power Generation, Hospitality Sector etc.
- Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.
- Revenue from contracts which are on time and material basis are

recognized when services are rendered, and related costs are incurred.

- Revenue related to fixed price maintenance and support services contracts where the Company is standing ready to provide services is recognized based on time elapsed mode and revenue is straight lined over the period of performance.
- Revenue from sale of power is recognized on the basis of actual units generated and transmitted to the purchaser.
- Revenue from the sale of hardware and goods is recognized at the point in time when control is transferred to the customer.
- In respect of other fixed-price contracts, revenue is recognized using percentage-of-completion method ('POC method') of accounting with contract costs incurred determining the degree of completion of the performance obligation. The contract costs used in computing the revenues include cost of fulfilling warranty obligations.
- Revenue from the sale of distinct internally developed software and manufactured systems and third party software is recognized at the point in time when the system or software is delivered to the customer. In cases where implementation or customization services rendered significantly modifies or customizes the software, these services and software are accounted for as a single performance obligation and revenue is recognized over time on a POC method.
- Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, service level credits, performance bonuses, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

2.Dividend: - (Ind AS 109 5.7.1A Additional lines not added)

Dividend income is recognized in the statement of profit and loss only when

- the entity's right to receive payment of the dividend is established;
- it is probable that the economic benefits associated with the dividend will flow to the entity; and
- the amount of the dividend can be measured reliably.

3.Interest income: -

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income

can be measured reliably. Interest income is accrued on a time basis, with reference to the principal outstanding and at the effective interest rate applicable.

E. Property, plant and equipment

1. Property, plant and equipment at office and at site

An item of property, plant and equipment that qualifies as an asset is measured on initial recognition at cost. Following initial recognition, items of property, plant and equipment are carried at its cost less accumulated depreciation. The initial cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, and any directly attributable costs of bringing an asset to working condition and location for its intended use. It also includes the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the Statement of Profit and Loss in the period in which the costs are incurred.

Major inspection and overhaul expenditure is capitalized.

Major machinery spares parts are capitalized when they meet the definition of Property, Plant and Equipment.

Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized net within other income/other expenses in the Statement of Profit and Loss.

Assets held for sale are carried at lower of their carrying value or fair value less cost to sell.

2. Capital work in progress (CWIP)

Assets in the course of construction are capitalized in capital work in progress account. At the point when an asset is capable of operating in the manner intended by the management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalized in CWIP until the period of commissioning has been completed and the asset is ready for its intended use to the extent commissioned. Advances given towards acquisition of fixed assets are not classified as Capital work in progress but as non-current assets.

3. Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on tangible property and other equipment has been provided on the straight-line method.

Based on technical evaluation, the management believes that the useful lives as given below best represent the period over which the management expects to use the asset.

Assets	Useful life in years
RCC buildings	60
Solar Power Equipment	15
Computers and data processing equipment	3
Wind Mill Equipment	22
Machinery	15
Office equipment	5
Furniture and fixtures	10
Vehicles	8
Copyright and trademark	10

The useful lives of the above assets are in line with the useful lives as prescribed under Part C of schedule II of the Companies Act, 2013, The management believes that these estimated useful lives are realistic and reflect fair apportionment of the period over which the assets are likely to be used.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

F. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

Intangible assets are amortized over their estimated useful life. The estimated useful life of the intangible assets and the amortization period

are reviewed at the end of each financial year and the amortization period is revised to reflect the changed pattern, if any.

G. Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consists of interest and other costs than an entity incurs in connection with the borrowings of the funds.

H. Impairment of non-financial assets

The Company assesses at each reporting date as to whether there is any indication that any Property, Plant and Equipment and Intangible Assets or group of Assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists, the recoverable amount of an asset or CGU is estimated to, determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognized in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

I. Financial instruments

Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments.

1. Initial Recognition and Measurement-Financial Assets and Financial Liabilities

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets

or financial liabilities at fair value through profit or loss are recognized immediately in the Statement of Profit and Loss.

2. Classification and Subsequent Measurement: Financial Assets.

The Company classifies financial assets as subsequently measured at amortized cost, fair value through Other Comprehensive Income ("FVTOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

a) Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if following both of the conditions are met:

- It is held within a business model whose objective is to hold the asset in order to collect contractual cash flows, and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if both of the following conditions are met:

- The financial assets are held within a business model whose objective is achieved both by collecting contractual cash flows and selling of financial asset and
- The contractual terms of financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless they are measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in statement of profit and loss.

d) Impairment of Financial Assets:

The Company assesses on a forward-looking basis the expected credit loss associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

The Company determines if there has been a significant increase in credit risk of the financial asset since initial recognition, an amount of reasonable provision is measured and recognized as loss of allowance on the basis of historical experience and internal technical analysis. The classification of trade receivables in terms of expected realization has been done by the management based on the past experience of the management.

Classification and Subsequent measurement: Financial Liabilities

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

e) Financial liabilities at fair value through profit or loss

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or losses on financial liabilities held for trading are recognized in the Statement of Profit and Loss.

f) Other Financial Liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortized cost using the effective interest method.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

g) Derecognition of Financial Assets and Financial Liabilities:

The Company de-recognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially

all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognized on its balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

h) Investment in Subsidiaries:

Investment in subsidiaries is carried at cost in the financial statements.

i) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

j) Derivative financial instruments and hedge accounting

The company currently did not have any derivative financial instruments nor there any hedging contract outstanding at the balance sheet date.

k) Cash and Cash Equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and short-term money market deposits having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, are considered an integral part of the Company's cash management.

J. Inventories

Inventories are valued at the lower of cost and net realizable value. Net realizable value is determined based on estimated selling price, less further costs expected to be incurred to completion and disposal.

K. Cost recognition

Costs and expenses are recognized when incurred and have been classified

according to their nature. The costs of the Company are broadly categorized into employee benefit expenses, Learning Solution Execution Expenses, Finance Costs, depreciation and amortization and other expenses. Employee benefit expenses include salaries, incentives and allowances, contributions to provident and other funds and staff welfare expenses. Other expenses mainly include fees to external consultancy expenses, travel expenses, communication expenses, bad debts and advances written off, Rent and Facility Support, Insurance expenses and other expenses. Other expenses is an aggregation of costs which are individually not material such as News Paper & Magazines, Demat Expenses, Postage & Telegram, entertainment, etc.

L. Taxation

Tax expense is the aggregate amount included in the determination of profit or loss for the period in respect of current tax and deferred tax.

1. Current tax

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible in accordance with applicable tax laws.

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

2. Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit under Income Tax Act, 1961.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized. Also, for temporary differences if any that may arise from initial recognition of goodwill, deferred tax liabilities are not recognized.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or

liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefits of part or all of such deferred tax assets to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

M. Retirement and other Employee benefit schemes

1. Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

2. Post-Employment Benefits

a) Defined Contribution Plan (Provident Fund & ESIC)

The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to a reduction in future payment or a cash refund.

b) Defined Benefit Plans (Gratuity)

The Company pays gratuity to the employees who have completed five years of service with the Company at the time of resignation. The gratuity is paid @15 days basic salary for every completed year of service as per the Payment of Gratuity Act, 1972. The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to the employees. The gratuity fund has been approved by respective Income Tax authorities. The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Remeasurements gains and losses arising from adjustments and changes in actuarial assumptions are recognized in the period in which they occur in Other Comprehensive Income.

3. The code on social security 2020

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labor and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stake holders which are under active consideration by the Ministry. The Company and its Indian subsidiaries will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

N. Provisions and Contingent liabilities

1. General

Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognized nor disclosed in the financial statements.

2. Restoration, expenses and handover costs:

Provision is made for costs associated with restoration, expenses & handover of projects as soon as the obligation to incur such costs arises. Such costs are on estimate basis and they are normally incurred as and

when the event probable to the outflow of economic benefits takes shape. The costs are estimated on the basis of various reports and estimates made by the competent personnel present and the sites and after due verification and also are based on the amounts as prescribed in the contracts entered on earlier. The provision made for various expenses has been estimated to such extent as required to settle the obligations. The management estimates that the settlement of the provisions will be done in current year and hence no discounting is necessary.

O. Foreign currency translation

The functional currency for the Company is determined as the currency of the primary economic environment in which it operates. For the Company, the functional currency is the local currency of the country in which it operates, which is Indian Rupee.

In the financial statements of the Company, transactions in currencies other than the functional currency are translated into the functional currency at the exchange rates ruling at the date of the transaction. Monetary assets and liabilities denominated in other currencies are translated into the functional currency at exchange rates prevailing on the reporting date. Non-monetary assets and liabilities denominated in other currencies and measured at historical cost or fair value are translated at the exchange rates prevailing on the dates on which such values were determined.

All exchange differences are included in the Statement of Profit and Loss.

Transactions Relating to Foreign Exchange Earnings & Outgo are specified below: -

(Rs. in Lacs)		
Particulars	F.Y 2024-25	F.Y 2023-24
FOB Value of exports	9.91	68.28
Other Income	4.13	1.54

P. Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

Q. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Executive Officer i.e. CEO. Revenue and expenses are identified to segments on the basis of their relationship to the operating activities of the segment.

Revenue, expenses which are not allocable to segments on a reasonable basis, are included under "Unallocated revenue/ expenses". It is practically not possible for the company to ascertain segmental assets and liabilities due to the location and swap use of assets and some liabilities despite management's constant effort.

R. Cash dividend to equity shareholders of the Company

The Company recognizes a liability to make distribution to equity shareholders of the Company when the distribution is authorized and it is no longer at the discretion of the Company. Interim dividend is paid as and when declared by the Board. Final dividend is paid after obtaining shareholders' approval. Dividends are paid in Indian Rupees.

Note:-

Trade Receivables of Rs.446.61 lacs (previous year 446.61 lacs) shown under non-current trade receivable (Shown in the Balance Sheet under Non-Current Assets) relate to the Board of Secondary Education, Rajasthan (BSER) Project and are outstanding for more than 10 years. In respect of these receivables the Company was in the Arbitration Proceedings as directed by The Honorable Rajasthan High Court on a plea filed by the Company. The arbitration proceeding was decided in favour of the company. The BSER then preferred an appeal with the Commercial Court. The Commercial Court has rejected the appeal of BSER. The BSER filed an appeal with Honorable Rajasthan High Court, against the order of Honorable Commercial Court. The Company filed its objections before the Rajasthan High Court. The Rajasthan High Court in its order dated 4.01.22 stayed the order of Commercial Court with the condition that 50% of the amount as decreed by the Commercial court shall be deposited by BSER with the Commercial Court and the company shall be at liberty to withdraw that amount on the condition that if BSER succeeds in the appeal the amount shall be refunded by the company with 9% interest p.a. Accordingly the company was paid a sum of Rs. 396.44 lacs during the financial year 2021-22, and the remaining amount of Rs. 446.61 lacs is shown above.

Notes:-

1. There is no interest on the dues to Micro, Small and Medium Enterprises (MSME).

2. Trade Payables of Rs. 577 lacs (Shown in the BS under Non-Current Liabilities Trade Payable Other Than MSME-disputed) are related to ABA's of above referred BSER project. The payment of these Trade Payables is dependent upon realization of remaining Trade Receivables of Rs. 446.61 lacs (being the original amount) related to the above referred BSER project as per the Terms of Agreement with the ABA's. Since the release of payment of Rs. 396.44 lacs upon the direction of Honorable Rajasthan High Court is not final but conditional that if BSER succeeds in its appeal before the Rajasthan High Court, this amount shall be refunded back by the company to BSER. Therefore, the company has not made any provision for impairment of the receivables of Rs. 843.05 lacs (being the original amount) or Rs. 446.61 lacs (being the remaining amount) even after receiving Rs. 396.44 lacs. since the company is hopeful of positive outcome of the Rajasthan High Court case and hopeful of receiving the remaining amount of Rs. 446.61 lacs. The company has not reversed the corresponding trade payables of Rs. 577 lacs, since the company envisages to clear the dues of the trade payables after final outcome of the Rajasthan High Court judgement in line with the terms of the agreement with the ABAs.

Details of Contingent Liabilities:

(Rs. In Lakhs)

Sr. No.	Nature of Contingent Liability	Amount C.Y.	Amount P.Y.	Remarks
1	Bank guarantee outstanding	1,642.27	1,569.80	This includes bank guarantees of Rs. 829.57 lacs which were expired till 31.03.2024 but the original bank guarantee has not been received so far from the concerned debtor, therefore the same has not been cancelled by the bank hence included in the total bank guarantee amount. Counter Guarantee given by the Company of the same amount of the bank guarantee.
2	Provident Fund demand by JVVNL (a Rajasthan State Government Electricity Company)	169.49	155.59	Since 2014, there is a dispute between the company on one part and Rajasthan Vidyut Kamgar Federation (CITU) labour union, jointly with EPFO on the other part in respect of applicability and payment of PF by the company in connection with the work contract of JVVNL executed by the company in the past. Meanwhile the company had separately approached the Rajasthan High Court for release of dues of the company from JVVNL. The Rajasthan High Court allowed the appeal of the company and directed JVVNL to release a sum of Rs. 115.18 lacs and keep the said sum in Fixed Deposit with bank in the joint name of the company and JVVNL until the aforesaid PF matter is settled. The amount of this FD has become Rs. 169.49 lacs as on 31 st March, 2025 because of accrual of interest. The EPFO had passed order dated 06.08.2014 in 7a proceedings determining applicability of PF, but the company against this order of EPFO went into appeal before the EPFAT on 07.10.2014, which by its order dated 24.03.2022 while implying that although PF is applicable but beneficiaries are unidentified, remanded back the issue to EPFO for fresh 7a proceedings with the direction to identify the beneficiaries (the workers to whom the benefits is to be disbursed). The company in the meanwhile has also appealed the finding of the EPFAT at the Rajasthan High Court. Thus, as such this FD amount still stands as contingent liability against any anticipated liability that may be ascertained finally in this matter.
3	Labour Court-Kota	84.66	84.66	Some ex-employees have filed suits against the company, which the company is contesting. According to the management the company is hopeful of getting favorable decision.
4	Board of Secondary Education of Rajasthan (BSER) partial dues received by Company following Rajasthan High Court Order.	396.44	396.44	There is a dispute between the Company and the Board of Secondary Education of Rajasthan pending for more than 10 years. The Company got favorable decision in lower forums. However Board of Secondary Education of Rajasthan filed appeal before the Rajasthan High Court and stayed the order of lower forums with the condition to release 50% disputed amount to the company with 9% interest p.a. Accordingly the Company received a sum of Rs. 396.44 lacs during the year 2021-22. This amount may be refundable subject to the final decision of the Rajasthan High Court.
5	Income Tax demand (AY 2011-12)	46.07	46.07	Against the assessment order passed u/s 143(3) & 254 of the Income Tax Act, 1961 for the A.Y. 2011-12 in respect of disallowance of corporate social expenditure. The company has gone into appeal before Commissioner of Income Tax (Appeals), which is pending for disposal. However, the total demand has been adjusted by the department against the refund receivable for the A.Y. 2018-19 and A.Y. 2019-20. Further, the Company has opted for Vivad Se Vishwas Scheme which is pending for approval.
6	Income Tax demand (AY 2012-13)	319.18	319.18	Against the assessment order passed u/s 143(3) of the Income Tax Act, 1961 for the A.Y. 2012-13, the company has gone into appeal before Commissioner of Income Tax (Appeals). The company has made last submission on 29.02.2024 and awaiting action thereon from the department. However, the total demand has been adjusted by the department against the refund receivable for the A.Y. 2013-14 and A.Y. 14-15.

Sensitivity analysis

Below is the sensitivity analysis determined for significant actuarial assumptions for the determination of defined benefit obligations and based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period while holding all other assumptions constant.

(Rs.In Lakhs)

Particulars	As at March 31, 2025	As at March 31, 2024
Impact of change discount rate		
Increase by 1%	104.41	88.15
Decrease by 1%	128.04	106.32
Impact of change in salary increase rate		
Increase by 1%	127.87	106.23
Decrease by 1%	104.34	88.07
Impact of change in withdrawal rate		
Increase by 1%	114.83	96.49
Decrease by 1%	115.38	96.33

The above sensitivity analysis may not be representative of the actual benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

In presenting the above sensitivity analysis, the present value of defined benefit obligation has been calculated using the projected unit credit method at the end of reporting period, which is the same as that applied in calculating the defined obligation liability recognized in the balance sheet.

Risk analysis

The company is exposed to a number of risks in the defined benefit plans. Most significant risks pertaining to defined benefits plans and management estimation of the impact of these risks are as follows:

Interest risk

A decrease in the interest rate on plan assets will increase the plan liability, however this will be partially offset by increase in the return on plan debt investment.

Longevity risk/Life expectancy

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and at the end of the employment. An increase in the life expectancy of the plan participants will increase the plan liability.

Salary growth risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. An increase in the salary of the plan participants will increase the plan liability.

NOTE 30 SEGMENT REPORTING

a. Basis of segmentation

The company is engaged in following reportable segments:

- Software development
- Wind power generation
- Learning solution
- Hotel

Segregation of capital employed between segments (except wind power generation segment, wherein the capital employed is Rs. 1047.37 lacs) is not practicable as most of the fixed assets and liabilities are not identifiable with particular segments and are used interchangeably.

Each of the reportable segments derives its revenues from its main products and hence these have been identified as reportable segments by the company's management. Segment profit amounts are evaluated regularly by the management, which is regularly engaged, in deciding how to allocate resources and in assessing performance.

Notes-

The management assessed that Cash and cash equivalents, other bank balances, Trade receivables, Trade payables, other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

Fair value hierarchy

The table shown below analysis financial instruments carried at fair value, by measurement hierarchy. The different levels have been defined below: -

- **Level 1:** quoted prices (unadjusted) in active markets for identical assets or liabilities.
- **Level 2:** inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).
- **Level 3:** inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Risk management framework

Introduction

The Securities and Exchange Board of India ("SEBI") issued the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as the 'Listing Regulations') on September 02, 2015, effective from December 01, 2015. The Regulation 21 mandate listed entities to formulate a policy on risk management. It is in the context that the policy on risk management ("Policy") is being framed and implemented from 11.02.2016 and approved by the board.

This policy is modified and/or amended with the approval of the Board of directors as on 29.05.2018.

Objective and purpose of policy

The main objective of this policy is to ensure sustainable business growth with stability and to promote a pro-active approach in reporting, evaluating and resolving risks associated with the business. In order to achieve the key objective, the policy establishes a structured and disciplined approach to risk management, in order to guide decisions on risk related issues.

The specific objectives of the Risk management policy are:

1. To ensure that all the current and future material risk exposures of the company are identified, assessed, quantified, appropriately mitigated, minimized and managed i.e. to ensure adequate systems for risk management.
2. To establish a framework for the company's risk management process and to ensure its implementation.
3. To enable compliance with appropriate regulations, wherever applicable, through the adoption of best practices.
4. To assure business growth with financial stability.

Treasury management

The company has a strong system of internal control which enables effective monitoring of adherence to company's policies. The internal control measures are effectively supplemented by regular internal audits.

Market risk

Market risk is the risk that the fair values of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises interest rate risk, currency risk and commodity risk.

The sensitivity analysis given elsewhere in the following sections relate to the position as at March 31, 2025 and March 31, 2024.

Financial risk

The Company does not engage in speculative treasury activity but seeks to manage risk and optimize interest and pricing through proven financial instruments.

a. Liquidity risk

The company requires funds both for short-term operational needs as well as for long-term investment program mainly in growth projects. The company generates sufficient cash flows from the current operations which together with the available cash and cash equivalents and short-term investments provide liquidity both in the short- term as well as in the long-term.

The company remains committed to maintaining a healthy liquidity, gearing ratio and strengthening the balance sheet. The maturity profile of the company's financial liabilities based on the remaining period from the date of balance sheet to the contractual maturity date is given in the table below. The figures reflect the contractual undiscounted cash obligations of the company.

b. Foreign exchange risk

Fluctuations in foreign currency exchange rates may have an impact on the statement of profit and loss, where any transaction references more than one currency other than the functional currency of the company.

the company during the year is not prone to any exchange risk as it has not entered in any foreign exchange contracts the difference in exchange rates on outstanding balance of sundry debtor has been duly accounted for through statement of profit and loss.

c. Interest rate risk

Floating rate financial assets are largely mutual fund investments which have debt securities as underlying assets. The returns from these financial assets are linked to market interest rate movements; however, the counterparty invests in the agreed securities with known maturity tenure and return and hence has manageable risk.

The exposure of the company's financial assets to interest rate risk is as follows:

(Rs.In Lakhs)				
Particulars	Total	Floating rate	Fixed rate	Non-interest bearing
As at March 31, 2025				
Financials assets	12,752.01	4.74	5,640.47	7,106.80

As at March 31, 2024				
Financials assets	13,635.65	3.82	4,852.86	8,778.97
Financial liabilities	5,315.53	-	3,863.60	1,451.93

d. Counterparty and concentration of credit risk

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the company. The company has adopted a policy of obtaining sufficient security, where appropriate, as a means of mitigating the risk of financial loss from defaults. The company is exposed to credit risk for receivables, cash and cash equivalents, short-term investments etc. credit risk on receivables is limited as almost all credit sales are against letters of credit and guarantees of banks of good financial repute. The Company is mainly engaged in projects awarded from Government of Rajasthan and derives its key revenue from these projects. The release of funds from Government of Rajasthan depends upon availability of budget. Consequently, the dues from the State Government may rise significantly at times. However, the company expects no major credit risk therefore the company has not impaired any financial instruments regarding the same.

Derivative financial instruments

The company does not acquire or issue derivative financial instruments for trading or speculative purposes. The company does not enter into complex derivative transactions to manage the treasury and commodity risks. The company is not enrolled in any hedging contracts and is not party to any derivative financial instruments either directly or indirectly through any party
